**Puerto Rico Public Buildings Authority
Government Facilities Revenue Refunding Bonds, Series Q
Guaranteed by the Commonwealth of Puerto Rico**

The Puerto Rico Public Buildings Authority Government Facilities Revenue Refunding Bonds, Series Q (the "Bonds") are being issued by Puerto Rico Public Buildings Authority (the "Authority") pursuant to Act No. 56 of the Legislature of Puerto Rico, approved June 19, 1958, as amended ("Act No. 56"), and under the provisions of Resolution No. 468, adopted by the Authority on June 22, 1995, as amended or supplemented (the "1995 Bond Resolution").

The Bonds, the outstanding bonds of the Authority previously issued under the 1995 Bond Resolution, and any additional bonds that the Authority may from time to time issue under the 1995 Bond Resolution are payable from, and are secured by a pledge of, the rentals of government facilities financed or refinanced by such bonds and leased by the Authority to departments, agencies, instrumentalities and municipalities of the Commonwealth of Puerto Rico (the "Commonwealth").

The Bonds are further secured by the guaranty of the Commonwealth under which the Commonwealth pledges to draw from any funds available in the Department of Treasury of the Commonwealth (the "Treasury") such sums as may be necessary to cover any deficiency in the amount required for the payment of principal of and interest on the Bonds. The good faith and credit of the Commonwealth, as in the case of the Commonwealth's general obligation bonds, are pledged for such payments.

The Bonds will have the following characteristics:

- The Bonds will be dated their date of delivery.
- The Bonds will be registered under The Depository Trust Company's book-entry only system. Purchasers of the Bonds will not receive definitive Bonds.
- Interest on the Bonds will be payable on January 1, 2010 and on each July 1 and January 1 thereafter.
- The Bonds are subject to redemption as described herein.
- The inside cover page contains information concerning the maturity schedule, interest rates, and yields of the Bonds.
- The issuance of the Bonds and the purchase of the Bonds by the Underwriters are subject to the approval of legality by Nixon Peabody LLP, New York, New York, Bond Counsel, and certain other conditions.
- In the opinion of Bond Counsel, under existing law and assuming compliance with the tax covenants described herein, and the accuracy of certain representations and certifications made by the Authority and the Commonwealth, interest on the Bonds is excluded from gross income for Federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"). Bond Counsel is also of the opinion that such interest is not treated as a preference item in calculating the alternative minimum tax imposed under the Code with respect to individuals and corporations. Bond Counsel is further of the opinion that, interest on the Bonds is exempt from state, Commonwealth and local income taxation. See *Tax Matters*, beginning on page 32 of this Official Statement, regarding certain other tax considerations.
- McConnell Valdés LLC, San Juan, Puerto Rico will pass upon certain legal matters for the Underwriters.
- It is expected that settlement for the Bonds will occur on or about October 28, 2009.

(Section 602).

General Covenants

The Authority covenants that it will not agree to any amendment, modification or termination of any Lease Agreements of any Authority Facilities (or exercise any right it may have to rescind the lease of any lessee of space in any Authority Facilities) which would reduce the amounts of rental payments below the amounts required by Section 701 of the 1995 Bond Resolution or postpone the times of making such rental payments or which would otherwise materially and adversely affect the security of the bondholders (Section 702), that it will not create or suffer to be created any lien or charge upon the Authority Facilities or any part thereof or upon the 1995 Debt Service Rentals therefrom, other than the liens and charges created or permitted under the 1995 Bond Resolution (Section 705), and that each Lease Agreement will provide that the obligation of the lessee to pay timely the required rentals thereunder shall be absolute and unconditional. (Section 709).

The Authority covenants that it will not dispose of or encumber any Authority Facilities, unless (a) the Authority determines that notwithstanding such disposition or encumbrance, total rents under each Lease Agreement will be sufficient to provide the sums required under Section 701 of the 1995 Bond Resolution, and (b) the Authority will receive as the price for any such disposition (but not an encumbrance), together with any other available moneys, the total amount of the 1995 Debt Service Rentals which would otherwise have been payable by the lessees of such Authority Facilities during the remaining term of the related Lease Agreements plus such additional amounts as will be necessary to pay the fees and expenses of the 1995 Fiscal Agent and all other expenses in connection with the application of the proceeds of such sale to the payment of the principal of and interest on outstanding Bonds issued by the Authority under the 1995 Bond Resolution including any redemption premiums. The proceeds of any such disposition (other than an encumbrance) shall be promptly deposited in the 1995 Redemption Account.

The Authority may also from time to time dispose of or encumber any fixtures or movable property in connection with the Authority Facilities or any materials used in connection therewith, if the Authority determines that such articles are no longer needed or useful in connection with the construction or operation or maintenance of the Authority Facilities and the proceeds thereof (other than an encumbrance) shall be applied to the replacement of the property so disposed of or at the option of the Authority shall be deposited to the credit of the 1995 Redemption Account. (Section 708).

Each Lease Agreement is required to provide that it may not be assigned or otherwise transferred in whole or in part by either party (unless the conditions set forth under the 1995 Bond Resolution for a termination of such Lease Agreement have been met), and will provide that all or any part of the Authority Facilities covered by such Agreement may be subleased as a whole or in part by the lessee if, among other things the following conditions have been met: (a) the sublessee under the sublease shall be a department, agency or instrumentality of the Commonwealth unless the Authority shall have obtained an opinion of nationally recognized bond counsel that such sublease will not cause interest on any Bonds to be includable in gross income of the owners thereof for federal income tax purposes (other than Bonds for which such interest is intended not to be excludable in gross income for such purposes); (b) such lessee shall acknowledge in writing that it shall continue to remain liable for the payment

of all rentals under such Lease Agreement; and (c) there shall have been delivered to the Authority and such lessee (i) if the sublessee is a department of the Commonwealth, a certificate signed by the Secretary or an Assistant Secretary of such department stating that on the basis of budgeted appropriations for the fiscal year in which the sublease is to become effective the sublessee will have available funds sufficient to timely pay all rentals which will be due and payable during such fiscal year, or (ii) if the sublessee is an agency or instrumentality of the Commonwealth, a certificate signed by the chief executive officer of the sublessee stating that on the basis of budgeted appropriations and/or estimate revenues for the sublessee for the fiscal year in which the sublease is to become effective the sublessee will have available funds sufficient to pay timely all rentals which will be due and payable during such fiscal year. (Section 710).

The Authority covenants that it will cause audits to be made of its books and accounts by an independent firm of certified public accountants chosen by the Authority. Reports of such audits shall, among other things, set forth the findings of such certified public accountants as to whether the moneys received by the Authority under the 1995 Bond Resolution have been applied in accordance with the provisions thereof. Copies of such reports shall be filed with the 1995 Fiscal Agent and shall be mailed by the Authority to each bondholder who shall have filed his name and address with the Secretary of the Authority for such purpose. (Section 712).

Modifications

The Authority may adopt resolutions supplemental to the 1995 Bond Resolution without the consent of the bondholders to cure any ambiguity, formal defect or omission or to correct any inconsistent provisions or errors in the 1995 Bond Resolution; provided such action shall not adversely affect the interests of the bondholders, or to grant or confer upon the bondholders any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the bondholders, or to add to the conditions, limitations and restrictions on the issuance of Bonds, or to add to the covenants and agreements of the Authority in the 1995 Bond Resolution or to surrender any right or power reserved to or conferred upon the Authority. (Section 901).

The holders of not less than a majority in aggregate principal amount of the Bonds then outstanding shall have the right to consent to and approve the adoption of such resolution or resolutions supplemental to the 1995 Bond Resolution as shall be deemed necessary or desirable by the Authority for the purpose of modifying, altering, amending, adding to or rescinding any of the terms and provisions contained in the 1995 Bond Resolution; provided, however, that nothing contained in the 1995 Bond Resolution shall permit, or be construed as permitting, (a) an extension of the maturity of the principal of or the interest on any Bond, (b) a reduction in the principal amount of any Bond or the redemption premium or the rate of interest thereon, (c) the creation of a lien upon or a pledge of 1995 Debt Service Rentals other than the liens and pledges created by or pursuant to the 1995 Bond Resolution, (d) a preference or priority of any Bond or Bonds over any other Bond or Bonds, or (e) a reduction in the aggregate principal amount of the Bonds required for consent to such supplemental resolution. (Section 902). No supplemental resolution may, however, change, amend or modify the rights or obligations of the 1995 Fiscal Agent under the 1995 Bond Resolution without the written consent of the 1995 Fiscal Agent. (Section 904).

Notice of Default

In the event that (i) on the second business day prior to the date on which a payment of interest, principal, or premium, if any, is due on any Bond there is not an amount sufficient in such account or fund as the 1995 Fiscal Agent may draw upon for the payment on such due date of such interest, principal, or premium, or (ii) the Authority shall default in the due and punctual making of any 1995 Sinking Fund deposit required by Section 502 of the 1995 Bond Resolution, the 1995 Fiscal Agent shall promptly give written notice of such insufficiency or default, as the case may be, to the Authority, the Secretary of Treasury and Government Development Bank. In the event that the Authority shall default in the due and punctual performance of any other covenants or agreements in the Bonds or the 1995 Bond Resolution and the 1995 Fiscal Agent shall have knowledge of, or is notified of, such default, and the Authority shall fail to correct such default within 30 days after notice thereof to the Authority by the 1995 Fiscal Agent, the 1995 Fiscal Agent shall promptly give notice of such default to the Secretary of Treasury and Government Development Bank. (Section 804).

The 1995 Bond Resolution and the Bonds do not provide for acceleration of the maturities of the Bonds in the event of a default thereunder or in any other circumstances and do not provide that the bondholders may require the 1995 Fiscal Agent to take any action on their behalf.

TAX MATTERS

Federal Income Taxes

The Internal Revenue Code of 1986, as amended (the "Code"), imposes certain requirements that must be met subsequent to the issuance and delivery of the Bonds for interest thereon to be and remain excluded from gross income for Federal income tax purposes. Noncompliance with such requirements could cause the interest on the Bonds to be included in gross income for Federal income tax purposes retroactive to the date of issue of the Bonds. Pursuant to the Bond Resolution and the Tax Certificate as to Arbitrage and the Provisions of Sections 103 and 141-150 of the Internal Revenue Code of 1986 (the "Tax Certificate"), the Authority and the Commonwealth have covenanted to comply with the applicable requirements of the Code in order to maintain the exclusion of the interest on the Bonds from gross income for Federal income tax purposes pursuant to Section 103 of the Code. In addition, the Authority and the Commonwealth have made certain representations and certifications in the Bond Resolution and the Tax Certificate. Bond Counsel will not independently verify the accuracy of those representations and certifications.

In the opinion of Nixon Peabody LLP, Bond Counsel, under existing law and assuming compliance with the aforementioned covenant, and the accuracy of certain representations and certifications made by the Authority and the Commonwealth described above, interest on the Bonds is excluded from gross income for Federal income tax purposes under Section 103 of the Code. Bond Counsel is also of the opinion that such interest is not treated as a preference item in calculating the alternative minimum tax imposed under the Code with respect to individuals and corporations. No opinion is expressed as to whether interest on any portion of the Bonds is excluded from the adjusted current earnings of corporations for purposes of computing the alternative minimum tax imposed on corporations.

State Taxes

Bond Counsel is also of the opinion that, under existing statutes, interest on the Bonds is exempt from state, Commonwealth and local income taxation. Bond counsel expresses no opinion as to other state, Commonwealth or local tax consequences arising with respect to the Bonds.

Original Issue Discount

Bond Counsel is further of the opinion that the difference between the principal amount of all of the Bonds other than the Bonds maturing on July 1, 2022, July 1, 2037 and July 1, 2039 (collectively the "Discount Bonds") and the initial offering price to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at which price a substantial amount of such Discount Bonds of the same maturity was sold constitutes original issue discount which is excluded from gross income for federal income tax purposes to the same extent as interest on the Bonds. Further, such original issue discount accrues actuarially on a constant interest rate basis over the term of each Discount Bond and the basis of each Discount Bond acquired at such initial offering price by an initial purchaser thereof will be increased by the amount of such accrued original issue discount. The accrual of original issue discount may be taken into account as an increase in the amount of tax-exempt income for purposes of determining various other tax consequences of owning the Discount Bonds, even though there will not be a corresponding cash payment. Owners of the Discount Bonds are advised that they should consult with their own advisors with respect to the state and local tax consequences of owning such Discount Bonds.

Original Issue Premium

The Bonds maturing on July 1, 2038 (collectively, the "Premium Bonds") are being offered at prices in excess of their principal amounts. An initial purchaser with an initial adjusted basis in a Premium Bond in excess of its principal amount will have amortizable bond premium which is not deductible from gross income for federal income tax purposes. The amount of amortizable bond premium for a taxable year is determined actuarially on a

constant interest rate basis over the term of each Premium Bond based on the purchaser's yield to maturity (or, in the case of Premium Bonds callable prior to their maturity, over the period to the call date, based on the purchaser's yield to the call date and giving effect to any call premium). For purposes of determining gain or loss on the sale or other disposition of a Premium Bond, an initial purchaser who acquires such obligation with an amortizable bond premium is required to decrease such purchaser's adjusted basis in such Premium Bond annually by the amount of amortizable bond premium for the taxable year. The amortization of bond premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining various other tax consequences of owning such Bonds. Owners of the Premium Bonds are advised that they should consult with their own advisors with respect to the state and local tax consequences of owning such Premium Bonds.

Ancillary Tax Matters

Ownership of the Bonds may result in other federal tax consequences to certain taxpayers, including, without limitation, certain S corporations, foreign corporations with branches in the United States, property and casualty insurance companies, individuals receiving Social Security or Railroad Retirement benefits, and individuals seeking to claim the earned income credit. Ownership of the Bonds may also result in other federal tax consequences to taxpayers who may be deemed to have incurred or continued indebtedness to purchase or to carry the Bonds; for certain bonds issued during 2009 and 2010, the American Recovery and Reinvestment Act of 2009 modifies the application of those rules as they apply to financial institutions. Prospective investors are advised to consult their own tax advisors regarding these rules.

Commencing with interest paid in 2006, interest paid on tax-exempt obligations such as the Bonds is subject to information reporting to the Internal Revenue Service (the "IRS") in a manner similar to interest paid on taxable obligations. In addition, interest on the Bonds may be subject to backup withholding if such interest is paid to a registered owner that (a) fails to provide certain identifying information (such as the registered owner's taxpayer identification number) in the manner required by the IRS, or (b) has been identified by the IRS as being subject to backup withholding.

Bond Counsel is not rendering any opinion as to any Federal tax matters other than those described in the opinions attached as *Appendix I*. Prospective investors, particularly those who may be subject to special rules described above, are advised to consult their own tax advisors regarding the federal tax consequences of owning and disposing of the Bonds, as well as any tax consequences arising under the laws of any state or other taxing jurisdiction.

Changes in Law and Post Issuance Events

Legislative or administrative actions and court decisions, at either the federal or state level, could have an adverse impact on the potential benefits of the exclusion from gross income of the interest on the Bonds for Federal or state income tax purposes, and thus on the value or marketability of the Bonds. This could result from changes to Federal or state income tax rates, changes in the structure of Federal or state income taxes (including replacement with another type of tax), repeal of the exclusion of the interest on the Bonds from gross income for Federal or state income tax purposes, or otherwise. It is not possible to predict whether any legislative or administrative actions or court decisions having an adverse impact on the Federal or state income tax treatment of holders of the Bonds may occur. Prospective purchasers of the Bonds should consult their own tax advisers regarding such matters.

Bond Counsel has not undertaken to advise in the future whether any events after the date of issuance and delivery of the Bonds may affect the tax status of interest on the Bonds. Bond Counsel expresses no opinion as to any Federal, state or local tax law consequences with respect to the Bonds, or the interest thereon, if any action is taken with respect to the Bonds or the proceeds thereof upon the advice or approval of other counsel.

UNDERWRITING

The Underwriters, represented by Merrill Lynch, Pierce, Fenner & Smith Incorporated ("Merrill Lynch"), have jointly and severally agreed, subject to certain conditions, to purchase the Bonds from the Authority at an aggregate purchase price of \$149,086,963.43 reflecting an original issue discount of \$2,410,905.00 and an

underwriters' discount of \$1,042,131.57 from the initial offering prices of the Bonds set forth or derived from information set forth on the inside cover page hereof. The obligations of the Underwriters are subject to certain conditions precedent, and they will be obligated to purchase all the Bonds if any Bonds are purchased. The Bonds may be offered and sold to certain dealers (including dealers depositing Bonds into investment trusts) and institutional purchasers at prices lower or yields higher than such public offering prices or yields, and such offering prices or yields may be changed, from time to time, by the Underwriters.

Merrill Lynch and Santander Securities Corporation ("SSC") have agreed to provide services and advice to each other related to the structuring and execution of the underwriting of the Bonds in accordance with the terms and provisions of a joint venture agreement which was entered into between SSC and Banc of America Securities LLC ("BAS") (Merrill Lynch and BAS are now affiliated broker-dealers). SSC and Merrill Lynch will be entitled to receive a portion of each other's revenues from the underwriting of the Bonds as consideration for their professional services.

Popular Securities, Inc. ("Popular") has entered into a joint venture agreement (the "JV Agreement") with Morgan Stanley & Co. Incorporated ("Morgan Stanley"), under which the parties shall provide services and advise to each other related to the structuring and execution of certain municipal finance transactions in the U.S. capital markets with governmental entities located in the Commonwealth. Pursuant to the terms of the JV Agreement and in compliance with applicable rules, the parties will be entitled to receive a portion of each other's net profits from the underwriting of the Bonds as consideration for their professional services.

Goldman, Sachs & Co. and UBS Financial Services Incorporated of Puerto Rico have agreed to cooperate with respect to structuring and coordinating the marketing and execution of bond offerings in the United States and global capital markets, other than bond issuances offered exclusively in the Puerto Rico market, for the Commonwealth's governmental entities and other municipal bonds issuers. Compensation with respect to the underwriting of the securities will be allocated between them.

LEGAL INVESTMENT

The Bonds will be eligible for deposit by banks in the Commonwealth to secure public funds and will be approved investments for insurance companies to qualify them to do business in the Commonwealth, as required by law.

LEGAL MATTERS

The proposed form of opinions of Nixon Peabody LLP, New York, New York, Bond Counsel, is set forth in *Appendix I* to this Official Statement. Certain legal matters will be passed upon for the Underwriters by their counsel, McConnell Valdés LLC, San Juan, Puerto Rico.

GOVERNMENT DEVELOPMENT BANK FOR PUERTO RICO

As required by Act No. 272 of the Legislature of Puerto Rico, approved May 15, 1945, as amended, Government Development Bank has acted as financial advisor to the Authority in connection with the Bonds offered hereby. As financial advisor, Government Development Bank participated in the selection of the Underwriters of the Bonds. RATINGS

The Bonds have been assigned ratings of "Baa3" by Moody's and of "BBB-" by Standard & Poor's.

The ratings reflect only the respective opinions of such rating agencies and an explanation of the significance of such ratings may be obtained only from the respective rating agency. Such rating agencies were

provided with materials relating to the Authority, the Commonwealth, the 1995 Bond Resolution, the Bonds and other relevant information. No application has been made to any other rating agency for the purpose of obtaining a rating on the Bonds.

There is no assurance that any ratings obtained will remain in effect for any given period of time or that they will not be revised downward or withdrawn entirely by either or both of such rating agencies if, in the judgment of either or both, circumstances so warrant. Any such downward revision or withdrawal of such ratings, or either of them, may have an adverse effect on the market prices of the Bonds.

CONTINUING DISCLOSURE

Event (c) and (e) are included pursuant to a letter from the SEC staff to the National Association of Bond Lawyers, dated September 19, 1995. However, events (c) and (e) may not be applicable, since the terms of the Bonds do not provide for "debt service reserves" or "liquidity providers." In addition, with respect to the following events:

Events (d) and (e). The Authority does not undertake to provide any notice with respect to credit enhancement added after the primary offering of the Bonds, unless the Authority applies for or participates in obtaining the enhancement.

Event (f). For information on the tax status of the Bonds, see *Tax Matters*.

Event (h). The Authority does not undertake to provide the above-described event notice of a mandatory scheduled redemption, not otherwise contingent upon the occurrence of an event, if (i) the terms, dates and amounts of redemption are set forth in detail in this Official Statement in "Redemption Provisions" under *The Bonds*, (ii) the only other issue is which Bonds will be redeemed in the case of a partial redemption, (iii) notice of redemption is given to the holders of the Bonds as required under the terms of the Bonds, and (iv) public notice of the redemption is given pursuant to Exchange Act Release No. 34-23856 of the SEC; even if the originally scheduled amounts are reduced by prior optional redemptions or Bond purchases.

The Commonwealth expects to provide the information described in clause 1 above by filing its first official statement or similar disclosure document that includes such information for the preceding fiscal year or, if no such official statement or similar disclosure document is issued by the 305-day deadline, by filing a separate document containing such information.

The Commonwealth has made similar continuing disclosure covenants in connection with prior bond issuances, and has complied with all such covenants, except hereinafter noted. The Commonwealth's audited financial statements for the fiscal years ended June 30, 2004, 2006, 2007 and 2008 were filed after the Commonwealth's respective filing deadlines of May 1, 2005, 2007, 2008 and 2009 because various governmental agencies did not submit their audited financial statements to the central government's external auditors on time, thereby delaying the submission of the Commonwealth's audited financial statements. The Commonwealth Report for the fiscal years ended June 30, 2004, 2006 and 2008, were filed after the deadline due to a delay in its preparation.

The Authority may from time to time choose to provide notice of the occurrence of certain other events in addition to those listed above if, in the judgment of the Authority, such other events are material with respect to the Bonds, but the Authority does not undertake to provide any such notice of the occurrence of any material event except those events listed above.

The Commonwealth and the Authority acknowledge that their respective undertakings pursuant to the Rule described above are intended to be for the benefit of the Beneficial Owners, and shall be enforceable by any such Beneficial Owners; provided that the right to enforce the provisions of its undertaking shall be limited to a right to obtain specific performance of the Authority's or the Commonwealth's obligations hereunder.

No Beneficial Owner may institute any suit, action or proceeding at law or in equity ("Proceeding") for the enforcement of the foregoing covenants (the "Covenants") or for any remedy for breach thereof, unless such Beneficial Owner shall have filed with the Authority and the Commonwealth written notice of any request to cure such breach, and the Authority or the Commonwealth, as applicable, shall have refused to comply within a reasonable time. All Proceedings shall be instituted only in a Commonwealth court located in the Municipality of San Juan, for the equal benefit of all Beneficial Owners of the outstanding Bonds benefited by the Covenants, and no remedy shall be sought or granted other than specific performance of the Covenant at issue. Moreover, Proceedings filed by Beneficial Owners against the Commonwealth may be subject to the sovereign immunity provisions of Section 2 and 2A of Act No. 104, approved June 29, 1955, as amended (32 L.P.R.A. §3077 and §3077a), which governs the scope of legal actions against the Commonwealth, substantially limits the amount of monetary damages that may be awarded against the Commonwealth and provides certain notice provisions, the failure to comply with which may further limit any recovery.

The Covenants may only be amended if.

(1) the amendment is made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature, or status of the Authority or the Commonwealth, or

type of business conducted; the Covenants, as amended, would have complied with the requirements of the Rule at the time of award of the Bonds, after taking into account any amendments or change in circumstances; and the amendment does not materially impair the interest of Beneficial Owners, as determined by persons unaffiliated with the Authority or the Commonwealth; or

(2) all or any part of the Rule, as interpreted by the staff of the SEC at the date of the adoption of such Rule, ceases to be in effect for any reason, and the Authority or the Commonwealth, as applicable, elects that the Covenants shall be deemed amended accordingly.

The Authority and the Commonwealth have further agreed that the annual financial information containing any amended operating data or financial information will explain, in narrative form, the reasons for the amendment and the impact of the change in the type of operating data or financial information being provided.

Any assertion of beneficial ownership must be filed, with full documentary support, as part of the written request described above.

The Covenants have been made in order to assist the Underwriters in complying with the Rule.

Puerto Rico Public Buildings Authority
San Juan, Puerto Rico

Ladies and Gentlemen:

We have examined a record of proceedings relating to the issuance by Puerto Rico Public Buildings Authority (the "Authority"), a body corporate and politic constituting an instrumentality of the Commonwealth of Puerto Rico (the "Commonwealth") created pursuant to Act No. 56 of the Legislature of Puerto Rico, approved June 19, 1958, as amended, (the "Enabling Act"), of its \$152,540,000 aggregate principal amount of Government Facilities Revenue Refunding Bonds, Series Q Guaranteed by the Commonwealth of Puerto Rico (the "Bonds"). We have also examined Act No. 17 of the Legislature of Puerto Rico, approved April 11, 1968, as amended (the "Guaranty Act"), providing for the guaranty by the Commonwealth of the payment of the principal of and interest on a principal amount of bonds outstanding at any one time of the Authority, not exceeding \$3,325,000,000, specified by the Authority to be covered by such guaranty, to the extent that the revenues and other moneys of the Authority pledged to the payment of such principal and interest are not sufficient for that purpose.

The Bonds are being issued under and secured by Resolution No. 468, adopted by the Authority on June 22, 1995, as amended and supplemented (the "1995 Resolution") and a supplemental resolution thereto fixing the terms of the Bonds, adopted by the Authority on October 16, 2009 (the "Bond Resolution" and together with the 1995 Resolution, the "Resolution"). Capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Resolution.

The Bonds are being issued to provide funds to refund interest (but not principal) of certain bonds issued by the Authority under the 1995 Resolution.

The Authority is authorized to issue additional bonds for the purpose of paying all or a part of the cost of government facilities and improvements of such facilities and refunding bonds for refunding any bonds issued by the Authority under the provisions of the 1995 Resolution, under Resolution No. 77, adopted by the Authority on November 16, 1970, as supplemented, or under Resolution No. 158, adopted by the Authority on February 14, 1978, as
